Alternate Energy Solutions, Inc. hosts “Second Annual Conference – Opportunities to Save with Renewable Energy”

Alternate Energy Solutions, Inc. is again supporting a renewable energy conference to inform administrators, business officers, and building management officials in the educational, municipal and agricultural communities.

The event will be held in Warren, MI on Thursday, April 21, 2005 from 8:45 A.M. to 5:00 P.M. Our objective is to provide meaningful information on wind turbine systems, financing and legal issues for entities interested in evaluating wind generation of electricity.

Representatives from Alternate Energy Solutions, Bureau Valley Schools (Illinois), Comerica Securities, Cantor Fitzgerald Environmental Brokerage Service/CO2e.com, Frazer Trebilcock Davis & Dunlap, P.C., Kalamazoo Public Schools, Michigan Electric Transmission Company, Michigan Public Service Commission (MREP) and Wells Fargo Bank will be presenting at the conference.

Brochures are available by calling the company or download from the homepage of the Company website. Registrations must be received no later than April 18, 2005.
