Press Release

April 30, 2007 Eastpointe, MI

Lori Pinkleton joins Alternate Energy Solutions as Marketing Representative.

We are very pleased to announce that Ms. Lori Pinkleton has joined the Alternate Energy Solutions' team as Marketing Representative for the company.

Ms. Pinkleton comes to the company with an extensive sales background encompassing 22 years in the medical and pharmaceutical industry sector. Ms. Pinkleton is highly motivated and has excellent interpersonal communication, relationship management and networking skills.

Welcoming Ms. Pinkleton to Alternate Energy Solutions, Mr. McLellan noted, "Lori Pinkleton has a strong passion for environmental issues and the proven ability to manage key account relationships. As our company continues to explore new business opportunities, we must maintain a high-degree of customer satisfaction and support. She has the experience and integrity for the position."

Alternate Energy Solutions is a Michigan company specializing in development of renewable energy utilizing wind turbines, solar thermal collection and geothermal systems. Company services to clients include fatal-flaw analysis, wind testing and mapping, electrical system design and component specification, system operation, training and maintenance.
